

Plastic Cup Template

12oz

Spot Colours ■ Black ■ Spot Colour 2 ■ Spot Colour 3 ■ Spot Colour 4

Please note there will be a 5mm unprinted gap where the artwork joins

■ Print Area

- 1

Design your cups in the **Design** layer.
- 2

Finalise your design and embed all images.
- 3

Choose up to 4 spot **Pantone** colours. If you leave this blank we will match your CMYK colours to the nearest Pantone.
- 4

Outline all fonts and paths and **save**. **Do not** delete any layers.
